

NIDB Database Key

- **Names** are listed in alphabetical order and are spelled as they are found in the article.
- **Subject** lists what the article is about.
- **Paper Date** lists the date of the newspaper where the article is found.
- **Page/Column** lists the page number (i.e. 2, 3) and the column (i.e. a, b, c) for locating the article.
- **Paper Name** is the name of the newspaper where the article is found.
- **Key words** lists any other names found in the article. (Note: If someone else of the same last name as the primary subject is cited in the article, that name is not listed in the key words.)

NOTE: To obtain copies of the original articles, individuals visiting the Northwest Branch of the Jefferson County Library may view and/or print articles from the microfilm. Copies are 20 cents per page.
